- **Anodized finishes** - LuxView will warrant the finish against cracking, crazing, flaking or blistering for ten (10) years from date of shipment. Owners Responsibility

Even though LuxView products are of high quality, this limited warranty applies only when the LuxView products have been properly installed, maintained, cleaned and used. Caulking or other third party applied products and components are not covered. Pressure cleaning or subjecting units to high pressure spray of any kind voids this warranty. Condensation on products, which is a common occurrence, does not indicate a defect in the products and is not covered by this warranty.
